

to track money
as they spend

avoid debt and
prevent data loss

should record
expenses on
daily basis

must set a limit
for everything
we spend

control over
budget to avoid
over spending

clear knowledge
about money
inflow and outflow

unnecessary
spending must
be controlled

you can review
your expenses
weekly

your expenses
can be
categorized

well prepared
for tax season

puts you in
control over
your finance

helps in sticking to
the budget and
cutting off the
unnecessary
spending

a notification
mail will be
generated

time can be
managed
wisely

helps in achieving
business goals
