Facing difficulties in finding where my money is spent and how to use it in right way

what should I do more with my money

Why is my daily expense so high?

Must know how much percent I should spent

No time to keep a check on my expenditure

Having security issues

safe amount to spend for a day

Eliminate unnecessary expenses

Says

Does

 \simeq

Thinks

Feels

should keep an eye on bank statements must track all transactions on a regular basis

Must be remainded if predefined expenses are exceeded

Should generate expense and savings report for selected time period automatically

Financial security

can be improved

Financial stress can be reduced

Will be helpful in identifying and eliminating unnessary expenditures
